Membership and Joining/Promotion Fees

Payment of all these fees can be made by cheque (noting Swimmers name and squad on reverse of cheque) or via an online bank payment.

Membership Fees are payable immediately upon joining the club **and** for each subsequent calendar year. Until the initial payment is made and the Membership Secretary has confirmed registration with the ASA the individual will be unable to train or compete.

[For the avoidance of doubt, the payment made when joining only covers a member for the period from joining until the following 31st December. A further membership fee will become due on the next 1st January.]

The Joining/Promotion Fee is payable the when a member first joins (or is promoted to) any of the non-Academy squads. This fee is a one-off non-refundable fee, payable immediately, and its payment is a condition of joining that squad.

[If the member is a member of a Water Polo squad then no promotion fee would be payable when moving from say Sharks to Junior Development (as it would have already been paid when originally joining the Water Polo squad).]

The level of these fees are set by committee each year and the current level for 2017 is detailed below:

Membership Fee	Payable when joining the club and each subsequent calendar year	£45.00
Joining/Promotion Fee	Payable when joining, or being promoted to, a non-Academy Squad	£30.00

If an individual has membership of more than one ASA affiliated club and Durham is not noted on their ASA Membership record as the Primary club then the Membership Fee due will be at a reduced rate of £15 (see Fees Policy for further details).

Loan of Fins

Upon payment of £5.00 a swimmer may loan a pair of Club fins for training purposes while they continue to be a member of the Club. These can be exchanged over time (speak to your squad coordinator to organise this) however the fins must be returned when the member leaves the Club. The £5.00 fee is non refundable.

The member is responsible for the safekeeping of the fins during the period they are in their possession and should they be lost or damaged the member should advise their squad co-ordinator accordingly and a further payment will be required to loan another pair.

Further Information

Further details regarding the above can be found in the club's Fees Policy which can be found in the Members' Section of the club website www.dcas.org.uk.
